NOTES ABOUT Southern Africa SEASONS / TIME OF YEAR :

BOTSWANA & NAMIBIA - High season and the best time for game viewing is July to October. The Shoulder months of May/June and November are good too. Low season is still good wildlife viewing but it is hot, humid and the rainy (Green Season) from December to March approx.

SOUTH AFRICA - High season in South Africa being the warmer Summer and Spring/Fall months of September to April. Dec/Jan/Feb/March can be humid and is also the rainy season in the Safari - Kruger National Park/Kwa-Zulu Natal area but a good time to visit the Western Cape/Garden Route especially Sept (Spring) Oct/Nov and March/April. December/Jan/Feb is the busy summer holiday season in South Africa especially in Cape Town – peak season being mid Dec to mid Jan. May to August – in the cooler Winter and Fall/Spring season period in South Africa - offers good safari in the game viewing regions of South Africa. Aug/Sept is great for wildflower viewing and June to November is good Southern Right Whale viewing in the Western Cape.

VICTORIA FALLS - High Water is Feb to April. Mid Water is April and May. From May onwards as the annual flood abates, the view of Victoria Falls gets better and better
